**F**CC Family,  
As we round the corner into the Fall, I wanted to update you all on the state of our church. Like most of the nation we are facing unique challenges. History will name this season; it won't be quickly forgotten.

You and I also know the strength of our church. I have confidence in our members' faithfulness and persistence. We should also be emboldened by the grace of God toward us.

FCC is currently in an enviable position. We never stopped meeting; in fact our April 2020 in person attendance matched April 2019 at 276 people, in addition to those who joined us online. So far our finances are holding through weekly tithes and offerings. Thank you! **One of the greatest ways you can bless your church is by staying involved, attending services, and contributing.**

Our leadership is able to fully function, including our General Board, Elders, and Deacons. Our Sunday School classes are each choosing how to meet and grow together. Our children and youth have gotten creative on ways to grow together. While we are staying organized, I'm confident that our members continue to call, write and check in on each other so that no one feels left out. **Another way to contribute is to protect the relational health of FCC. Let us all continue to practice the New**

**Testament teachings to encourage, forgive, and love one another.**

God's mission has not slowed. The Lord has opened doors, allowing us to enjoy double matching grants to bless Kenya with up to 20 new water wells. Our local missions carry on through the coordination and volunteerism of our members. FCC is still advocating for children, feeding the hungry, and befriending the homeless. Several people have put their faith in Jesus during this time as well. One of our elders is currently assisting me in creating a discipleship curriculum, designed to help men and women progress more purposefully down the path of faith in Jesus. **The prayers of every member fuel these efforts, as they are coupled with the money and hard work generously given. Working together, God can multiply and magnify every effort if we persist in prayer.**

Now, more than ever, being an active church member is doing wonders - keep praying, participating, and contributing. FCC is as strong as we are because our members are doing the basics with excellence. And, as always, God is gracious.

In Love,  
Pastor Paul

## Back-to-School Prayers . . . Marilyn Wragg

Each new school year, students, parents, and educators experience the thrill of new beginnings. Anticipation ranges from joy to anxiety over what lies ahead. But this year, school startup brings unprecedented challenges and complexities. In light of concerns about spread of COVID and related uncertainties about whether and how to teach in person and online, one thing is certain: **we all need to pray.**

First Christian Church has many back-to-school connections. We have adopted Bean Elementary School. Many students, teachers, administrators, and support personnel are members and friends of FCC. And most of us have immediate or extended family members in the educational system.

Whatever your connection, resolve to pray daily over everyone involved. Some suggestions are offered, but as events unfold, ask God to direct your heart and the Holy Spirit to direct your prayers during this critical back-to-school season.

*Lord God, in these crazy times, only You can work hard things for good and bring order out of chaos. Pour Your mercy upon students, parents, and educators. Protect them physically, emotionally, and mentally. Provide from Your abundant storehouse resources they need. Please let them see You at work and be drawn to You, Heavenly Father.*

- **School administrators.** Grant wisdom, creativity, and clarity. Strength to work through difficult decisions. Flexibility to change course when needed.
- **Teachers.** Impart courage to face new challenges and learn new skills. Discernment, patience, and hearts to encourage. Strength, energy, and miraculous effectiveness in reaching all students. Needed support. Protection from criticism. Relief when overwhelmed.
- **All school support staff,** with varied positions and challenges. Equip, encourage, and undergird each according to specific needs.
- **Students of all ages.** Provide safe environments to learn, whether in school or online. Empowerment to learn. Desire to learn; ability to focus. Encouragement and support for varying and special needs.
- **Parents and caregivers.** Guidance to face perplexing situations and schedules. Help in juggling family and educational needs. Stamina and perseverance to help and encourage children amid their own challenges.

## Pray for our Country

Over 100 ladies from Lubbock, who regularly pray for our country, made a quilt of Bible Verses for the President of the United States. They wanted the President to know, and be encouraged by the fact, that people are praying for our country. The quilt was presented by Congressman Jodey Arrington to President Donald Trump when he visited Odessa at the end of July. Several FCC ladies participated in the making of this quilt.

## Prayers for God's People as We Sing

### Based on Psalms 98:1-7

Precious Lord, I sing to You a new song because You have done marvelous things, I am in awe of the works of Your salvation! I shout because the joy You give me is uncontainable! I praise You with the harp and with the sound of singing. I pray that all music that comes from my heart and mouth is to glorifying to Your great Name. Please help me to worship You in Spirit and truth in all that I do. In Jesus name I pray, Amen.

Brittney  
Hardin  
Worship  
and  
Music Pastor

### Based on Ephesians 5:19-21

O Lord God, I pray that the music I make and the songs that I sing are always from my heart to You. I pray that as I sing psalms, hymns and spiritual songs, I genuinely dedicate each melody to You. I pray that I always give You thanks for all things, in Christ Jesus. I thank You for this ability You have given me, and I choose to give it back to You by using it to glorify You. In the name of Jesus, I pray, Amen.

## **GOD LOVES US: CAN YOU BELIEVE IT?**

An Old Testament professor and hero of mine, Robert Cate, once said, “The ultimate test of our faith is whether or not we really trust God enough to believe He loves us.” I think that is exactly why He sent Jesus to us; to show us His love. It was a love that found its deepest expression as He gave His son to save us. Jesus came to reveal his Father and in the process, to redeem us.

Arlano Funderburk  
Pastoral Care

Jesus did this in both word and deed. He said to his early followers, God loves you and wants to be close to you; to fellowship and talk with you. Jesus said, “Just call him Abba, Dad.” He said our Father wants this kind of intimate relationship with you that a loving parent has with a young child, one characterized by love and trust. But in addition to words Jesus showed them, and us, what that kind of relationship would look like. At the age of twelve, Jesus knew his Father loved him and had sent him to reveal that love to a lost world that He also loved.

Our New Testament accounts show clearly Jesus’ reliance on, and confidence in, His Father’s love to accomplish this assignment. We will never be asked to walk a path that Jesus hasn’t already walked. He experienced disappointment, hardship, rejection, persecution, and the loss of loved ones so he understands wherever you are today. And in each and every circumstance, he counted on and was blessed with his Father’s enabling love. One example, that is illustrative of his whole life, was in the garden on his last night in agony. The Father sent an angel to strengthen him. (Luke 22:43) Jesus received just what he needed just when he needed it. Jesus was able to experience all that we must experience, and much more, and accomplish his Father’s will because of his confidence in and reliance on his Father’s love. So can we - no matter what our present circumstances are. We can count on our Abba to give us everything we need just when we need it, because just as Jesus has so beautifully shown us, GOD LOVES US! BELIEVE IT!

FCC Family – you have another family – Juliette Fowler Communities. Children and both young and older adults experience transformed lives at Juliette Fowler Communities because of your generosity. We have been making a difference at JFC, a Disciples of Christ outreach, for 127 years. Because of your generosity: children needing love have been placed in foster homes; young women who have aged out of foster care can find purpose for their lives at The Ebby House; adults needing supervised health care are given TLC; and adults, both financially capable and poor, live in community and grow in spirit. You have made this happen.

But because their needs do not disappear, neither does the need to fund this ministry. Your support beginning September 1<sup>st</sup> through 17<sup>th</sup> will be matched making an even bigger difference. When you go to <https://www.northtexasgivingday.org/JulietteFowler> and make a donation, you can be a part of North Texas Giving Day and provide joy in the lives of the residents at Juliette Fowler Communities.

## **In the Life of the Church...**Deborah Bigness

On Sunday, September 13, 1953, Reverend Dudley Strain delivered his first sermon as pastor of the First Christian Church. The Strain family, his wife Helen, and their children Ann, 12 and Keith, 9, made their first home in Lubbock in the Church's parsonage at 2214 16<sup>th</sup> Street. After only five years here, Rev. Strain was awarded the honorary Doctorate of Divinity degree from Texas Christian University for "his outstanding work in his own denomination, cooperation to other church programs, and contributions to his community."

While in Lubbock, Dr. Strain presided over tremendous growth in the church's family and facilities, and served in leadership positions of many civic organizations. An enthusiastic traveler, he frequently led groups on foreign travels and was a driving force behind the establishment of the International Cultural Center at Texas Tech University. He delivered his final sermon to the church on January 25, 1976. For a generation, it was "Dudley" who shared the significant events of our lives. He counseled us, blessed our children during the Vows of Christian Parenthood, taught us in the Pastor's Class, baptized us, married us, and comforted those we left behind.

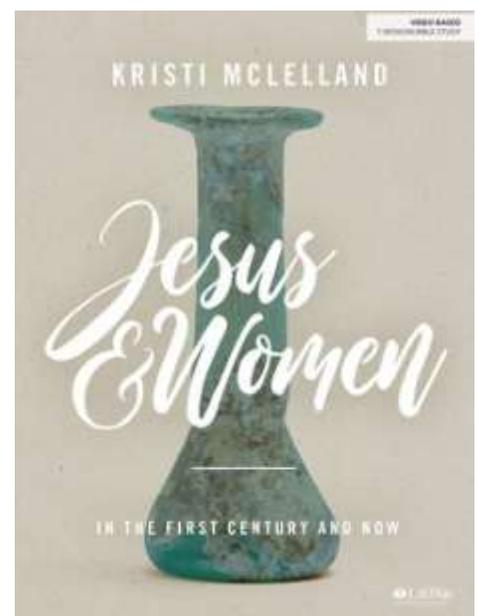

## **Bible Babes**

Hey, all ladies of FCC! Fall is fast approaching and I am SO excited to announce that we will be having a new Bible study starting in September! This study is by Kristi McLelland and is called Jesus & Women: In the First Century and Now. Kristi is a biblical culturalist who takes you back to

Jesus' first-century world, explaining the historical and cultural climate of His day to help you know Him more dearly. This study is a thoughtful look at several of Jesus' interactions with women in the Bible that will fuel your worship of the Living God. This 7 session study will help you:

- Explore how Jesus generously restores dignity and honor to women in the first century and now.
- Learn how to study the Bible through a Middle Eastern lens.
- Gain deeper insight into the biblical world with fresh perspective on familiar Bible stories.

The study will be 7 weeks long starting Monday, September 14<sup>th</sup> through Monday, October 26<sup>th</sup> at 7:00pm in the Kuykendall Hall. Some study books will be available to purchase for \$14.00 each. Contact Paula Gibson at [apaulagize@gmail.com](mailto:apaulagize@gmail.com) or 806-632-5850 to reserve your book! I so look forward to learning and exploring the Word of God with all of you again!

# Sharing our Light

## **Bean Elementary Update** ...Bob and Marcy Lawless

### **School Supply Gratitude**

Once again, we want to thank everyone who participated in the recent School Supply Drive for FCC's adoptive school, Bean Elementary. Many of you dropped off the requested items at the bin in The Great Hall, and with COVID concerns, more people than in the past gave monetary gifts. After taking inventory of what was given, we purchased 1000 more Composition Books, 200 Dry Erase Markers, 108 boxes of tissues and various other needed supplies, all of which were delivered to the school on Tuesday, August 11<sup>th</sup>. There are still funds available which will be used to fill in additional items once school has been in session for a few weeks and Principal Thomas advises us as to other specific needs. In the meantime, please accept our sincere appreciation for your generous assistance in this ministry!

### **Praying the Perimeter**

On Wednesday, August 12<sup>th</sup> at 8 a.m., 24 members of FCC masked up and gathered outside the front doors of Bean Elementary to participate in a prayer walk led by Pastor Paul. We walked the perimeter of the school, praying for wisdom, energy, physical health/safety/protection, and confidence/peace from God. Several teachers came out for conversation and a special prayer was prayed over them prior to the start of the walk.

### **Virtual Prayer with Teachers**

In previous years, we have gathered within the school walls to pray with the teachers at the start of each six weeks. This year—for obvious reasons—we embarked on a new method of getting together. On Friday, August 14<sup>th</sup> at 10 a.m., utilizing the LISD system (similar to Zoom), Pastor Paul and several FCC members joined about 18 teachers on screen to ask the Lord's covering over the school, the teachers & staff, and the students & parents. It was a sweet time and likely the "new normal" for praying together for the foreseeable future.

### **Welcome Back, Students!**

The first day of school on Monday, August 17<sup>th</sup> looked very different this year as the students arrived and were directed to three separate entrances, dependent on grade level. Although the balloon arch graced the front doorway, several members from FCC greeted the 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grade students on the northeast side of the school where teachers held grade signs and gathered their classes before entering the building. Everyone but the youngest of students (P-K through 1<sup>st</sup> grade) wore masks and all teachers entering the building had their temperatures checked. Please keep the administration, teachers, staff, and students at Bean Elementary and across our city, state and nation in your daily prayers.
